

Become part of our vibrant community of artists and art appreciators!

With its location in the heart of downtown Kerrville, Kerr Arts and Cultural Center (KACC) has gained the reputation as the “Heart of the Arts.”

The year 2020 marks KACC’s 21st year of service to the community as a destination for art and cultural events.

As a 501(c) non-profit, KACC is responsible for all of its own funding.

While much of the budget is dependent on grants, gallery sales and educational programs, its most vital source of income comes from individual and business memberships.

Your membership serves as an important link between KACC and the Hill Country Community.

As such, we encourage you to attend our exhibits and receptions where you will have the opportunity to visit and meet exhibiting artists. Become involved with one of our affiliate groups which meet monthly. Take one of our classes taught by area artists during the calendar year. Shop in our gift shop for original one of a kind items. Finally, we hope you will bring your family and friends to visit KACC, and share with them the importance of becoming a part of our arts and cultural community.
